

schale chair overview

The name “Schale” is drawn from the Germanic root of the Scandinavian languages and was inspired by the embracing curve of the back, which evokes the sculpted shape of a seashell.

The Schale Chair features a curved demi back providing a comfortable, cocooning characteristic. This detail creates an inviting and open gesture, allowing for easy movement while seated.

schale stool overview

Schale offers a refined expression of Nordic design. The name “Schale” is drawn from the Germanic root of the Scandinavian languages and was inspired by the embracing curve of the back, which evokes the sculpted shape of a seashell.

The Schale Stool features a back that encircles the body and flows into tapered armrests that permit freedom of movement.
