COM/COL material requirement

The pattern, repeat and directionality of fabric may increase the amount of yardage required.

Leather quantities should always be rounded up to the next hide size, as yields vary from 60-80% and are affected by the quality, size and shape of the hide, and by the location and quantity of blemishes.

NOTES

Upper Back Upholstered (M): The upper portion of the back and complete seat are upholstered.

Fully Upholstered (F): The complete back and seat are upholstered.

Vertical Wood Slat Back (V): Only the seat will be upholstered. The finish for the vertical wood slats defaults to the specified frame finish.

A TekniStain form is required if a Teknion Wood product is needed in colors outside our standard offering. To order a Custom Wood Stain please use the seating code NOCWS. A one time upcharge per color applies. Please forward a purchase order and TekniStain form to your Customer Service Representative. Allow two (2) weeks for the TekniStain approval process. The Custom Wood Stain sample must be signed off prior to placing product order. Allow (3) extra weeks to the total lead time of the chair when using a custom wood stain. The total lead time will begin once final approved samples have been received from customer to Teknion. The custom wood stain sample must be signed off prior to placing product order.
