planning

The Harbour Credenza collection offers multiple size options, all available with 30" high surfaces and specified in wood veneer or solid surface finishes. Designed for flexibility, the collection supports a wide range of configurations to suit diverse applications and planning needs. The following typical illustrate the versatility and functional possibilities achievable with Harbour Credenzas.

specifying harbour credenza finishes

Harbour Credenzas are available in multiple width options, each featuring a 30" high worksurface and offered in wood veneer or solid surface finishes. Case finishes may be specified in Studio veneer finishes or custom stain options. Standard widths include 54", 72", and 108". The 54" and 72" models are available exclusively in 4-door configurations, while the 108" model is offered in a 6-door configuration only. Hardware may be specified in four foundational paint finishes - Ebony, Platinum, Gilded Ash, and Very White, as well as one fashion paint finish, Soft Gold.
