

This back screen provides a complete or partial view and vertical writable surface.

WHAT'S INCLUDED

1 screen, 2 brackets, linking pieces and hardware.

NOTES

Specify Table Screen width to match the width of the worksurface to which it is being applied.

Writable surface, use dry-erase markers only.

Frost (FT) is a single-sided etched glass which is facing inward of the screen assembly.

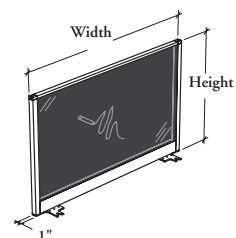

Tempered glass infills are doubled for a flush look.

Not compatible with T-Legs and Post Legs.

This screen is **not** recommended with all worksurface/table styles; refer to the Accessories Compatibility Chart in Application Guide.

Not all glass finishes are available as Xpress, Please see Xpress catalogue and/or specification software for details.
