

CTMZ

Mezzanine Worksurface

This worksurface provides a conference area at the end of two parallel tables. It is ideal for call center applications.

**WHAT'S INCLUDED**

1 worksurface.

**WHAT'S EXCLUDED**

Worksurface Supports.

**NOTES**

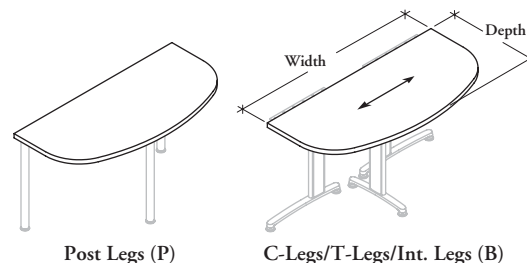

This worksurface must be linked to other worksurfaces of the same depth using shared legs. It **cannot** be used as a standalone worksurface.

A third support must always be specified.

The 18" depth T-Leg (CTTL) or Post Leg (CTPL) must be specified as the third support for the 18" depth worksurface.

For back-to-back screen applications, specify 1" wider than the worksurface depths to which it is being attached (i.e., 37", 49", 61").

Not all depth/width combinations are available. See pricing for exact offering.
