

The Slim Profile Utility Light is clip-mounted to the underside of the Overhead Cabinet (TSF). It provides movable side-to-side task lighting for the worksurface.

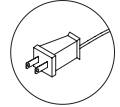

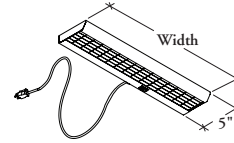

### WHAT'S INCLUDED

1 utility light, 1 lens cover, 1 fluorescent tube (T5), 2 mounting brackets, cord, wire management clip.

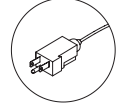

### NOTES

When applying the Utility Light to an overhead cabinet, specify the width one size smaller than the width of the cabinet (the 24" wide Utility Light should be used with a 30" wide overhead cabinet).
