

T _ B

Baseboard Element

The Baseboard Elements provide an attractive finish for the baseboard level of the panel.

WHAT'S INCLUDED

1 element, installation hardware.

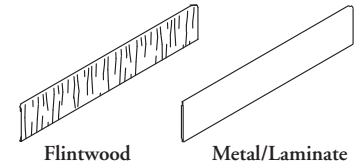

NOTES

For further information regarding element placement, see Transit's Application Guide.

Baseboards are ordered as single items. Therefore, if required for both sides of panel, two elements must be specified.

Baseboard Elements cannot be used where base feed enters panel.

Cannot use baseboards where privacy screen is mounted.
