

### International Power/ Communication Element – Powered

International Power/Communication Elements provide access to face-mounted power/communication plug-in. Elements are available for power only or power and communication access.

#### WHAT'S INCLUDED

Element with outlet box (mounting bracket, earth lead and bezel included), lock and optional communication faceplate cut-out.

#### WHAT'S EXCLUDED

Cables and communication faceplate not included.

#### NOTES

To purchase element without the outlet box included, please see International Power/Communication Element (VTPCN) in the Element section.
