

## Y G U

### Navigate Height-Adjustable Built-In Base

Navigate Height-Adjustable Built-In Base is for use with Upstage Modules and Credenzas for Height-Adjustable Tables.

#### WHAT'S INCLUDED

1 Height-Adjustable electric base, leg and foot configuration as specified.

#### NOTES

Electric Base Mechanism has 0.1 Watt resting power draw and uses 120V North American control box.

Display Switch (D) has three programmable memory settings. Display Toggle Switch (X) has four programmable memory settings.

Cable Organizer with or without Felt Cover (1 and 2) included two wire locations and three velcro strips on a slim spine that connects underneath the surface.

E-Chain comes with Cross-Channel bracket and mounts into Module. The height adjustable worksurface must be specified separately.

The height-adjustable worksurface must be specified separately.
