Navigate Height-Adjustable Built-in Gable Base

Navigate Height-Adjustable Built-In Gable Base is to be paired with Rectangular Height-Adjustable Worksurface Gable to create a specific upStage integrated Height-Adjustable Table.

WHAT'S INCLUDED

1 Height-Adjustable electric base, leg and foot configuration as specified, integrated E-Chain Cable Manager.

NOTES

Electric Base Mechanism has 0.1 Watt resting power draw and uses 120V North American control box.

Display Switch (D) has three programmable memory settings. Display Toggle Switch (X) has four programmable memory settings.

Cable Organizer with or without Felt Cover (1 and 2) included two wire locations and three velcro strips on a slim spine that connects underneath the surface.

E-Chain comes with Cross-Channel bracket and mounts into Module.

The height-adjustable worksurface must be specified separately.
