

The Ledge Table Electric can be mounted to the underside of a Zones Ledge Table with segment lengths of 60" and 72" at pre-determined locations and provides access to two AC power outlets or one AC with two USB-A power outlets.

ZNEL Ledge Table Electric

WHAT'S INCLUDED

The electric comes as one fully wired assembly with all mounting hardware.

NOTES

The electric is finished in black.

Wire Management option is recommended when ordering the ledge tables, which provides a wire manager to route the cord down the leg to the floor.

Each USB -A module supplies 10 Watts (5VDC) when used in single port mode.

When both ports are used at the same time, output may be reduced.

Refer to Complements App Guide for more details.

Two AC Outlets

AC and USB Outlets
