

**Z N F G H**

**Hinged Screen**

Hinged Screen is a 55" high privacy screen that accommodates smaller Zone Lounge settings (various combinations of seating and casual tables).

**WHAT'S INCLUDED**

All screen assemblies come with top and bottom solid wood trims (plus end trims for end assemblies) and one vertical metal trim at all joints. Hardware to join assemblies into complete Screens. Feet with levelers.

**NOTES**

Panel widths and slot option can be mixed and matched between panels.

The hinged screen can be freely angled between 90°-120°. The hinge is designed to prevent the panels from being arranged in any configuration outside of this range.

The handedness of the screen can be determined onsite.
