

Z N S Q
Zones – Power Cube

The Power Cube can be mounted to the underside of a Zones Modular Seating Bench at pre-determined locations and provides access to one simplex power and two USB hubs.

WHAT’S INCLUDED

Power Cube electric module with Mounting Brackets, 3m power cord, two mounting screws, two cable manager and P-clips.

NOTES

Complete wired Power Cube with cord. Mounting bracket assembly with wire management and mounting hardware.

Install on-site to recommended mounting locations below Zones Modular Seating Benches. May be retrofit onto the existing Bench.

The cable manager is to be placed over the floor monument, and the P-clips are used to route the cable from the Power Cube to the cable manager.

The Power Cube is finished with a Very White frame and Soft Gris colored ports.

USB-A Port: Supplies 10 Watts (5VDC) when used in single port mode

USB-C Port: Supplies 18 Watts (5/9/12VDC) when used in single port mode

USB C port will support Quick Charge when used in single port mode

When both ports are used at the same time, output may be reduced

Refer to Complements App Guide for more details
