

ZNSX

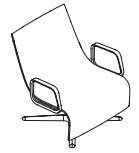

Zones Solo Lounge Chair

FEATURES

- Provides an individual with a casual lounge seating solution at a fixed-height that is ideal for waiting, reading, writing, relaxing, smart phones, tablets use or dialogue with an other
- Swivel-tilt mechanism with self return and 8° recline
- 16" seat height
- High-Back model includes a profiled headrest, ideal for lounge spaces where more comfort and privacy are required. The Low-Wide Back model has a lower profile which is more ideal for areas where open sight-lines are preferred
- Single upholstered
- Metal 4-Prong base in Polished Aluminum or Paint finish
- Multi surface, non-marking glides
- Optional Metal Loop Arms with finish to correspond with base finish
