

Z N W W

Zones Worksurface

Focus Zone – Solo (FS)
(shown)

Worksurfaces enhance the experience in an Enclosure by providing an individual or shared working surface for focused or collaborative work.

WHAT'S INCLUDED

1 (or 2) worksurfaces as specified.

NOTES

Worksurfaces are specifically sized for each Enclosure. Worksurfaces must be specified to match the Enclosure type in which they are being applied. If desired, Table Lamp and Power Pill cut outs must be specified on the worksurface, however, the Table Lamp (ZNETL) and Power Pill (ZNEPSA/ZNEPSB) must be ordered separately. When Zone Type Focus Zone – Twin (FT) is specified, two worksurfaces will be included. If light cut out is specified on (FT) worksurface, one worksurface will have the light cut out location on the left and one on the right.

The Power Rod (YEPD7) can be ordered separately from the Complements: *Teknion's Ergonomics & Accessories* Program to provide easy power access inside the Monitor Tower.

The Bar (B) height is only available of Zone Type (AS) is specified.

Zone Types (FS, FT, CT, EE) worksurfaces accommodate Power Pill (ZNEPSA/ZNEPSB) configurations only.

Zone Types (AM, AN, AS, AD) worksurfaces accommodate Power Pill (ZNEPLA/ZNEPLB) configurations only.
